DECLARATION OF WOO JIN LEE

Woo Jin Lee declares as follows:

1. I am one of the named inventors in the above-identified application.
2. I am also one of the named authors of the document entitled "Improved Bending Loss of Laser Written Optical Waveguide" presented at the Photonics Conference 2002, a copy of which is attached hereto as Exhibit 1.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
